

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

OFFICE OF STATE TREASURER,

Madison, Wis., January 20, 1898.

I hereby certify that the foregoing statement is an abstract of the semi-annual reports made to this office by the several private banks that made reports in pursuance of the provisions of the 41st section of an act entitled, "An act to authorize the business of banking," approved April 19, 1852, and section 2023, revised statutes.

SEWELL A. PETERSON,
State Treasurer.

APPENDIX.

Having numerous applications for copies of the Banking Laws of Wisconsin the following digest is herewith inserted:

Sections 4 and 5 of Article XI of the State Constitution reads as follows:

SECTION 4. The Legislature shall not have power to create, authorize or incorporate, by any general or special law, any bank or banking power or privilege, or any institution or corporation having any banking power or privilege whatever, except as provided in this article.

SECTION 5. The Legislature may submit to the voters at any general election, the question of "Bank" or "No Bank," and if at any such election a number of votes equal to a majority of the votes cast at such election on that subject shall be in favor of banks, then the Legislature shall have power to pass Bank Charters, or to pass a general banking law, with such restrictions and under such regulations as they may deem expedient and proper for the security of the bill holders: *Provided*, that no such grant or law shall have any force or effect until the same shall have been submitted to a vote of the electors of the state at some general election, and have been approved by a majority of the votes cast on that subject at such election.

In pursuance to the foregoing sections, Chapter 479, Laws of 1852, was enacted, entitled "An act to authorize the business of Banking," which was adopted at the general election held in 1852. The Banking Act has at different times been amended by a vote of the people.

The Banking Act as amended can now be found in Section 2024, Revised Statutes of Wisconsin, 1878, and is as fol-

lows, omitting such sections as refer to the issuing and redemption of bank notes.¹

ORGANIZATION.

Sec. 18, page 599, R. S., 1878. Any number of persons may associate to establish offices of discount, deposits and circulation, and subject to the liabilities prescribed in this act; but the aggregate of the capital stock of any such association shall not be less than twenty-five thousand dollars, nor more than five hundred thousand dollars. And such bank shall be located in some particular city or village, in a township containing no less than two hundred voters, as shown by the election returns on file in the office of the secretary of state of the election last preceding the organization of such bank, nor shall such association be allowed to issue circulating notes exceeding in amount the amount of their capital stock.

The following section 14, chapter 242, laws of 1861, is, by inference at least, an amendment to the foregoing:

No bank or banking association shall hereafter be organized in this state, nor shall any more circulating notes be issued to any bank or banking organization in this state, unless said bank or banking association shall have a *bona-fide* cash capital of at least fifteen thousand dollars actually paid in, which shall remain in such bank or banking association as capital, and employed in legitimate banking at the place where the bank is located, and it is hereby declared that the bonds deposited with the comptroller shall not be considered as any evidence of the existence of capital in any such bank or banking association, nor of the amount and extent of such capital, and it is hereby made the duty of the comptroller, before issuing any more circulating notes to any such bank or banking association now organized, or that shall hereafter be organized, except in exchange for mutilated notes, to satisfy himself, by an ex-

¹Section 3412, Revised Statutes of the United States, imposed a tax of ten per centum on the amount of notes of any state bank or state banking association used for circulation. This law compelled the state banks to withdraw their circulation.

amination under oath of an officer or stockholder of such bank and banking association, that it has fully complied with the provisions of this section and of the next preceding section of this act; and for the purpose of such examination the comptroller, or, in his absence, the deputy comptroller, is hereby authorized to administer oaths: *Provided*, that nothing contained in this act shall be so construed as to permit any bank to issue circulating notes to any greater amount than its nominal capital.

SECTION 19. Such persons, under their hands and seals, shall make a certificate, which shall specify:

First — The name assumed to distinguish such association and to be used in all its dealings, which name shall not be that of any other banking association in this state, and shall be such as will be readily distinguished from that of any banking association then existing in this state.

Second — The place where the business of discount and deposit of such associations is to be carried on, designating the particular city, town or village.

Third — The amount of capital stock of such association, and the number of shares into which the same shall be divided.

Fourth — The names and places of residence of the shareholders, and the number of shares held by each of them respectively.

Fifth — The period at which such association shall commence and terminate, which certificate shall be acknowledged and recorded in the office of the register of deeds of the county where any office of such association shall be established, and a copy thereof filed in the office of the state treasurer and of the comptroller, and upon the recording of which certificate the person or association of persons aforesaid shall become a body politic and corporate by the name assumed as aforesaid, for and during the time fixed in the certificate, and by such name shall have power to contract and be contracted with, and shall have all other powers, privileges and immunities incident to corporations, as provided in chapter fifty-four, title thirteen, of the revised statutes of this state.

COPY OF CERTIFICATE TO BE EVIDENCE.

SECTION 20. A copy of the certificate required by the preceding chapter, duly certified by the register of deeds of the county or comptroller, or either of those officers, may be used as evidence in all courts and places, for or against any such association, or any other person for or against whom any such evidence may be necessary on any civil or criminal trial.

POWERS OF ASSOCIATION.

SECTION 21. Such association shall have power to carry on the business of banking by discounting bills, notes and other evidences of debts: by receiving deposits; by buying and selling gold and silver bullion, foreign coin, and foreign and inland bills of exchange; by loaning money on real and personal securities, and exercising such incidental powers as may be necessary to carry on such business; may choose one of their members as president, and appoint a cashier and such other officers and agents as their business may require, and no person or association shall commence or carry on the business aforesaid until such person or association shall have complied with the provisions of this act; and it is further declared that no bank of circulation shall be allowed to carry on such business unless such bank or association shall have deposited with the treasurer the securities required by law, to the amount of twenty-five thousand dollars, exclusive of the bonds given by the directors or stockholders.

SHARES DEEMED PERSONAL PROPERTY.

SECTION 22. The shares of such association shall be deemed personal property, and shall be transferable on the books of the association in such manner as may be agreed on in the articles of association, and every person becoming a shareholder by such transfer shall, in proportion to his shares, succeed to all the rights and be subject to all the liabilities of prior shareholders. No change shall be made in the articles of association, by which the rights, remedies or securities of its existing creditors shall

be weakened or impaired; such association shall not be dissolved by death or insanity of any of the shareholders therein.

INCREASE OF CAPITAL.

SECTION 27. It shall be lawful for any association of persons organized under the provisions of this act, by their articles of association, to provide for an increase of their capital and of the number of their shares from time to time, as they may think proper, the aggregate capital not to exceed five hundred thousand dollars, as before provided. And it is hereby provided, that when any such association shall, by a vote of the majority of the stock, determine to reduce the capital stock to an amount not less than twenty-five thousand dollars, and shall by its president and cashier, furnish the secretary of state a certificate of such vote, it shall be lawful for the legislature, by statute, to permit such association so to reduce their capital stock, and thereafter such association shall not be subject to the payment of the tax as provided in the sixteenth section of this chapter except on the amount of the capital remaining, to which it shall have been reduced by such statute; and the legislature may, upon a vote of the stockholders and a certificate as above provided, authorize the removal of the place of business of any banking association from the place where such association may have commenced its business operations according to the provisions of the nineteenth section of this chapter, to any other place where, under the provisions of this chapter as amended, it may be lawful for any such association to transact business.

HOW CONTRACTS, ETC., BE SIGNED.

SECTION 28. Contracts made by any such association, and all notes and bills by them issued and put into circulation as money, shall be signed by the president or vice president, and cashier or assistant cashier thereof; and it shall not be lawful for any other person to sign such circulating notes in the name of such officers, either by proxy or warrant of attorney.

FOR WHAT PURPOSES MAY HOLD REAL ESTATE.

SECTION 29. It shall be lawful for such association to purchase, hold and convey real estate for the following purposes:

First — Such as shall be necessary for its immediate accommodation in the convenient transaction of its business.

Second — Such as shall be mortgaged to it in good faith by way of security for loans made by or money due to such association.

Third — Such as shall be conveyed to it in satisfaction of debts previously contracted in the course of its dealings.

Fourth — Such as it shall acquire by sale or execution or decree of any court in its favor. The said association shall not purchase, hold or convey real estate in any other case or for any other purpose whatever, and all conveyances of such real estate shall be made to the corporation, and which real estate the president and cashier may sell, assign, grant or convey under the direction of the association, free from any claim thereon in favor of or against the shareholders or any person claiming under them.

LIST OF SHAREHOLDERS TO BE FILED.

SECTION 31. The president and cashier of every association formed pursuant to the provisions of this act shall at all times keep a true and correct list of the names of all the shareholders of such association, and shall file a copy of such list in the office of the register of deeds of the county where any office of such association may be located, and also in the office of the bank comptroller, on the first Monday of January and July in each year.

WHEN DIVIDEND NOT TO BE MADE.

SECTION 40. If any portion of the original capital of any banking association shall be withdrawn for any purpose whatever, whilst any debts of the association shall remain unsatisfied, no dividends or profits on the shares of the capital stock of the association shall thereafter be made until the deficit of capital shall have been made good, either by subscription of the share holders or out of the subsequent

accruing profits of the association; and if it shall appear that any such dividends have been made, it shall be the duty of any judge of the Circuit court of the county in which said association may be located, on application of any person in interest, to make the necessary orders and decrees for closing the affairs of the association and distribute its property and effects among its creditors and shareholders.

REPORT TO BE MADE AND WHAT TO CONTAIN.

SECTION 41. Every bank and banking association shall, on the first Monday of January and July in every year, after having commenced the business of banking as prescribed in this act, make and transmit to the comptroller a report, which said report shall be made on oath of the president and cashier, and shall contain a true statement of the following items, on the morning of the first Mondays of January and July, before any business of that day: Loans and discounts, overdrafts, due from banks, due from directors of said banks, due from brookers, real estate, cash items stocks and promissory notes, bills of solvent banks, bills of suspended banks, loss and expense accounts, capital, circulation, amount due to state treasurer, amount due to depositors on demand, amount due not included under either of the above heads; and it shall be the duty of the comptroller to publish said report together, once in some newspaper printed at the seat of government, accompanied with a summary of items of capital, circulation and deposit, specie and cash items, public securities and private securities; and the expense of such publication shall be defrayed by a percentage assessed upon the capital stock of all the banks and banking associations of this state; and if any bank shall fail to furnish to the comptroller its semi-annual report in time for such publication, or shall fail to pay the percentage assessed by the comptroller under this section when the same shall be demanded by him, it shall forfeit and pay the comptroller the sum of one hundred dollars, to be applied to him to the payment of the expense of publishing the semi-annual reports; and the comptroller is authorized to

collect the said forfeiture in his name, upon application to any court of competent jurisdiction in the county where such delinquent bank may be located. The bank comptroller shall also transmit annually to the legislature, at the commencement of its session, a condensed summary of all the items reported to him by all the banks, which summary, verified by his oath, shall contain a true and correct statement of the condition of all the banks in the state at the time of the making of their last report. Every bank and banking association shall also file a copy of the report required by this section in the office of the register of deeds of the county where such bank is located, on the first Monday of January and July of each year. It shall be the duty of the comptroller, on the last days of January and July of each year, to publish in some paper of general circulation, printed at the seat of government, the number of banks in operation and a descriptive list of the securities transferred to the treasurer in trust for each banking association respectively.

MAY RECEIVE INTEREST IN ADVANCE.

SECTION 43. It shall be lawful to receive the interest in advance according to the ordinary usages of banking institutions, and to charge for collecting foreign or other inland bills, or other evidences of debt, the usual current rate of exchange, and in the computation of time, thirty days shall be a month and twelve months a year.

This section is amended by the following:

SECTION 2, Chapter 143, 1866. It shall be lawful for any bank or banking association organized and doing business under the general law of this state, to demand and receive for loans and discounts, such rate of interest as shall be allowed by law to be taken and received by individual citizens and by corporations other than banking associations in this state.

TO WHOM ACT TO APPLY.

SECTION 45. That each and all the provisions of this act shall apply to and control, in all respects, any banker who

shall conduct business under the provisions of this law, whether the word banker is or is not used in any such provision.

PENALTY FOR PUTTING IN CIRCULATION UNAUTHORIZED NOTES.

SECTION 46. The officers or agents of any banking association who shall put out, to be put in circulation as money in this state, any bill, note, certificate of deposit or other paper having the similitude of a bank note, knowing the same to have been issued without authority of this or any other of the United States, or of Canada, shall, upon conviction, be adjudged guilty of a misdemeanor, and shall be punished by fine not less than one hundred dollars for every piece of paper so put in circulation, or imprisoned not less than six months, or by both fine and imprisonment.

INDIVIDUAL LIABILITY.

SECTION 47. The stockholders in every corporation or association organized under the provisions of this act shall be individually responsible to the amount of their respective share or shares of stock, for all its indebtedness and liabilities of every kind.

In regard to individual liability of stockholders, a law was enacted in 1880, which is inserted here, although not properly belonging to the banking laws.

Chap. 223, laws of 1880. An act to provide for the individual liability of stockholders in banks and banking associations.

SECTION 1. The stockholders, owners and part owners of any bank or banking association, organized, or hereafter to be organized, under the provisions of the act entitled, "An act to authorize the business of banking," approved April 19, 1852, and of the act amendatory thereof, may file with the state treasurer of this state a declaration in writing, signed by each and all of the stockholders, owners or part owners of said bank or banking association, and by them duly acknowledged before some officer authorized by law to take acknowledgments of deeds, consenting and agreeing to hold themselves individually responsible for all

the debts, demands and liabilities of said bank or banking association.

SECTION 2. Upon delivery of such declaration, duly executed, and acknowledged in manner aforesaid, to the state treasurer, said treasurer shall file and safely keep the same in his office, and upon application by any person or persons, and upon payment to him of a fee of two dollars therefor, the state treasurer shall make, certify and deliver to such person or persons a copy of such declaration, and such copy, when duly certified by the state treasurer, shall be received in evidence in all courts in this state, and shall have the same effect as the original declaration would have if produced in evidence and duly proved.

SECTION 3. On and from the filing of the declaration mentioned in the first section of this act, the stockholders, owners or part owners of said bank or banking association, who shall have executed such declaration, shall be individually liable for all the debts, demands and liabilities of said bank or banking association, as well as those then existing and unpaid as those thereafter to be made, created or incurred. And in any action brought against any such bank or banking association for any debt, demand or liability of such bank or banking association, it shall be competent for the party plaintiff to join with such bank or banking association defendant, any one or more, or all of the stockholders, owners or part owner of such bank or banking association, whose names are attached to such declaration, and in such action to recover and have judgment and execution against the defendants, or either or any of them: *Provided*, that nothing herein shall be construed to prevent any action from being maintained for any debt, demand or liability of such bank or banking association against said bank or banking association alone, or against the said stockholders, owners or part owners, or either or any of them.

SECTION 4. In case of the *bona fide* sale and transfer of the entire stock or interest of any stockholder, owner or part owner in any bank or banking association mentioned in the first section of this act, a written memorandum of such transfer, signed and acknowledged in manner afore-

said by the vendor and purchaser of said stock or interest may be filed with the treasurer of this state, and thereupon the individual liability of said vendor for the debts, demands or liabilities of said banking association which may be created or incurred after the expiration of six months from and after the filing of said memorandum of transfer aforesaid shall cease, but in such case the purchaser of said stock or interest shall, from the date of such filing of transfer, become and be responsible and individually liable in the manner provided in the third section of this act, for all the debts, demands and liabilities of such bank or banking association made or incurred after the date of the filing of such transfer.

SECTION 5. Nothing contained in the foregoing sections of this act shall be at any time thereafter so construed as to make its provisions obligatory for any bank or banking association of this state which has not voluntarily and by its own option filed with the state treasury of this state such declaration in writing as is described in section 1 of this act.

SECTION 6. This act shall take effect and be in force from and after its passage and publication.

The office of bank comptroller was abolished and the state treasurer required to act as such by chapter 28, laws of 1868, page 596, Revised Statutes.

Chapter 523, laws of 1889, "An act relating to banks and banking," reads as follows:

SECTION 1. Section 2023, of the revised statutes of the state of Wisconsin, is hereby amended so as to read as follows: Every person, association of persons and corporations engaged in the business of banking, buying and selling exchange and receiving deposits, except corporations organized under the state or national banking law, shall report semi-annually in writing to the state treasurer. Such reports shall contain the total amount due depositors, the amount of funds on hand, the names of the persons interested in or carrying on the business, the total amount of capital stock in said business, and such other items as far as practicable as bankers under the state banking law are required to report, and shall be verified by the affidavit of such persons or some member of such association or corporation.

SECTION 2. Any person, persons, association or corporation who shall use the words bank, banking or banking-house upon any sign, advertisement or designation of any place of business in this state, or upon any posters, bill-heads, drafts, checks, notes or bills of exchange, or on any form of commercial paper as a business title, sign, notice or designation, shall be deemed and considered a private bank

SECTION 3. Any bank, corporation, association, person or persons engaged in banking business within the purview of the laws of this state, who shall fail to make to the state treasurer the semi-annual report required by law, at the time and in the manner provided by law, shall forfeit the sum of one thousand dollars, to be paid into the common school fund of the state of Wisconsin.

SECTION 4. If any bank, corporation, association, person or persons so required to make report to the state treasurer, as provided by law, shall for the space of thirty days after the same is by law required to be filed, neglect to file said report, the state treasurer shall at once notify the attorney general of such neglect, and thereupon it shall be the duty of the attorney general, in the name of the state of Wisconsin, to bring suit against such bank, corporation, association, person or persons so failing to report for the amount of the penalty prescribed in section 3 of this act.

SECTION 5. In case there is no newspaper published in the town, village or city in which said banking concern does business, the treasurer shall cause said notices to be published in a newspaper of general circulation in the county in which said bank, corporation, association, person or persons are doing business. The expense of publishing all notices required to be pub-

lished under this act, shall be paid out of the general fund of the treasury of the state of Wisconsin upon accounts audited and warrants issued by the secretary of state.

Section 2. This act shall take effect and be in force from and after its passage and publication.

Approved April 22, 1891.

Chapter 291, laws of 1895, entitled, "An act providing for the better supervision of banks and banking, for the appointment of a bank examiner, for the equipment and maintenance of his office, and defining the duties thereof," reads as follows:

Section 1. The state treasurer is directed and authorized to appoint, by and with the approval of the governor, a suitable person to examine and supervise the banking institutions of this state as hereinafter prescribed, who shall be officially designated as "Bank Examiner." Such officer shall be a skillful bank accountant, thoroughly conversant with the business of banking, and shall hold said office for the term of five years, and until his successor shall be appointed and qualified; and vacancies occurring in said office shall be filled by appointment for the balance of the unexpired term. Before entering upon the discharge of his official duties such bank examiner shall take and subscribe the usual constitutional oath of office and file the same in the office of the secretary of state, and shall execute to the state a bond in the penal sum of twenty-five thousand dollars, with two or more sureties, to be approved by the governor, conditioned upon the faithful discharge by him of the duties of his said office. Said bank examiner shall appoint a deputy bank examiner, and may at any time revoke such appointment. Such deputy shall take, subscribe and file the same oath, file a like bond, and perform the same duties and exercise the same powers and authority in the discharge thereof as such examiner.

Section 2. The word "bank" wherever used in this act shall include every banking, savings or trust institution, concern and place of business in this state receiving money on deposit, ex-

cept national banks, and concerns engaged in other lines of business receiving on deposit or in trust the money of their employes only.

Section 3. The bank examiner shall have a seal for his office, a description of which, with an impression thereof and a certificate of its approval by the governor shall be filed in the office of the secretary of state.

Section 4. The examiner shall occupy a room or rooms in the capitol, where he shall file and keep all papers, reports and public documents officially received by him, and which shall be supplied by the state with suitable furniture, stationery and other office conveniences.

Section 5. The examiner may, with the consent of the state treasurer and approval of the governor, appoint one or more clerks to assist in the discharge of the duties of said office. The secretary of state shall audit and the state treasurer shall pay all necessary charges for clerk hire, traveling or other necessary expenses of said office; provided, that before the secretary of state shall audit any account for clerk hire or such expense, the examiner shall file with such secretary a certificate setting forth the particular service rendered by such clerk or clerks, and the items of such expense and the necessity of the same.

Section 6. It shall be the duty of the examiner to visit, without any previous notice, once in each year and at such other times as he shall deem necessary, every bank in this state, and examine its resources and liabilities of every nature, and ascertain fully its financial condition. He shall specially determine the accuracy of the last official report or statement made by any bank in pursuance of law, and shall also examine particularly into any transaction he may deem foreign to a legitimate banking business, or a violation of the laws governing such bank; provided, that if said bank examiner shall be a stockholder, officer, trustee, assignee or employe of any bank, the state treasurer, his assistant, or some competent person specially designated for such purpose by said treasurer, shall act as examiner of such bank. He shall at all times have free access to all records, books, securities and papers showing the resources and liabilities of any bank, or concerning its

business; and is hereby authorized to examine on oath or affirmation any of the stockholders, officers, agents or employees of any bank, or any person doing business therewith, relative to the affairs and business thereof and the substance of such examination shall be reduced to a written statement and subscribed by the person or persons examined, and such statement shall be filed in the office of such examiner. Such examiner may also, when he deems proper, inform the directors of such bank of any fact or matter relating thereto disclosed to him in his examinations thereof. Any person who shall wilfully and corruptly swear, affirm, or declare falsely to any material matter or thing in any such examination shall be deemed guilty of the crime of perjury and shall be punished as provided in section 4471, of the revised statutes.

Section 7. Each bank examined shall be required to pay to said examiner at the making of the first such examination after the first Monday in July in each year, a fee which shall be for any bank having a combined capital and surplus of less than twenty-five thousand dollars, fifteen dollars; for any bank having a combined capital and surplus of twenty-five thousand dollars and less than fifty thousand dollars, twenty-five dollars; for any bank having a combined capital and surplus of fifty thousand dollars and less than one hundred thousand dollars, thirty-five dollars; for any bank having a combined capital and surplus of one hundred thousand dollars and less than two hundred thousand dollars, forty dollars; for any bank having a combined capital and surplus of two hundred thousand dollars and less than three hundred thousand dollars, forty-five dollars; and for any bank having a combined capital and surplus of three hundred thousand dollars or more, fifty dollars. If such fee be not paid upon demand therefor when due, the examiner shall institute an action in the name of the state against such delinquent bank for the recovery of the amount thereof. All such fees shall be paid into the state treasury to the credit of the general fund.

Section 8. Such bank examiner is hereby empowered in the performance of his official duties to issue subpoenas and administer oaths in the same manner as court commissioners of the circuit courts of this state; provided, that in case of any

refusal to obey a subpoena issued by the bank examiner, or his deputy, such refusal shall be at once reported to the circuit court and said court shall enforce obedience to such subpoena in the manner now provided by law for enforcing obedience to the subpoenas of said court.

Section 9. Every such bank shall make to the examiner whenever requested by him, and not fewer than three times in each year, a report in the form which said examiner shall prescribe and furnish, and which shall conform as nearly as the examiner deems practicable to the form prescribed and furnished by the comptroller of the currency of the United States for reports of national banks. Such required reports shall be verified by the oath of the president, vice-president, cashier, treasurer or other chief financial officer of such bank, and if such report be of an incorporated bank, it shall also be attested by the signatures of at least three of the directors thereof; providing, that if by reason of absence or other inability it shall be impracticable to obtain the signature of three directors, such report shall under oath specify such reason, and the attestation thereof by a director so absent or under disability shall thereupon be dispensed with. Such report shall exhibit in detail and under appropriate heads the resources and liabilities of the bank at the close of business of any past day by such examiner specified, and shall be transmitted to said examiner within five days after the receipt of the request therefor from him, and shall be published in a newspaper in the city, village or town, in which such bank is located; and due proof of such publication shall thereupon be transmitted to said examiner and filed in his office accompanied by such schedules and additional items as the examiner may require. In case there is no newspaper published in the city, village or town, in which such bank is located, said report shall be published in a newspaper of general circulation within the county.

Section 10. Every bank failing to make and transmit to the examiner any of the reports required by this act shall be subject to a penalty of one hundred dollars for each day of delay after the expiration of the time for making such reports as limited in the last preceding section, and whenever any bank upon demand therefor refuses or neglects to pay the penalty

herein imposed for a failure to make and transmit such report, the examiner shall institute an action in the name of the state against such delinquent bank for the recovery of such penalty; and all moneys collected by such actions shall be paid into the common school fund of the state.

Section 11. Whenever the said examiner shall have reason to believe that the capital of any bank is impaired or reduced so as to endanger the interest of the depositors therein, it shall be his duty, and he shall have power at any time to examine said bank and ascertain its condition, and in case he deems it proper so to do shall, by notice in writing, require such bank to make good any deficiency so appearing. If any bank shall refuse or neglect for thirty days after receipt of such notice, to make good such deficiency, the examiner shall cause to be published in a newspaper of general circulation in the county in which such bank is situated, a notice of such refusal or neglect, together with a statement of the condition of said bank.

Section 12. On the second Monday in December, 1895, and semi-annually on the second Monday in June, and on the second Monday in December in each year thereafter, the examiner shall make a report to the governor of the state, which report shall be published and shall exhibit, as shown by the last reports made to said examiner: First, a tabulated summary of the condition of every bank from which a report has been received during the preceding six months, showing the amount and character of its resources and liabilities, and such other facts as in his judgment may be required; second, a statement of the banks whose business has been closed during the year, the amount of their resources and liabilities, and the amount paid the creditors thereof; third, the names of all stockholders or partners in each of said banks and the amount of the capital owned therein by each of such stockholders or partners. On the first day of January in each year the said examiner shall make to the state treasurer a statement of the expenses of his office, and the amount of fees received and fines collected during the preceding year.

Section 13. The salary of the examiner shall be three thousand dollars per annum, and the salary of the deputy examiner

OFFICE OF STATE TREASURER,

Madison, Wis., July 23, 1896.

I hereby certify that the foregoing statement is an abstract of the semi-annual reports made to this office by the several private banks that made reports in pursuance of the provisions of the 41st section of an act entitled. "An act to authorize the business of banking," approved April 19, 1852, and section 2023, revised statutes.

SEWELL A. PETERSON,

State Treasurer.

APPENDIX.

Having numerous applications for copies of the Banking Laws of Wisconsin the following digest is herewith inserted:

Sections 4 and 5 of Article XI of the State Constitution reads as follows:

SECTION 4. The Legislature shall not have power to create, authorize or incorporate, by any general or special law, any bank or banking power or privilege, or any institution or corporation having any banking power or privilege whatever, except as provided in this article.

SECTION 5. The Legislature may submit to the voters at any general election, the question of "Bank" or "No Bank," and if at any such election a number of votes equal to a majority of the votes cast at such election on that subject shall be in favor of banks, then the Legislature shall have power to pass Bank Charters, or to pass a general banking law, with such restrictions and under such regulations as they may deem expedient and proper for the security of the bill holders: *Provided*, that no such grant or law shall have any force or effect until the same shall have been submitted to a vote of the electors of the state at some general election, and have been approved by a majority of the votes cast on that subject at such election.

In pursuance to the foregoing sections, Chapter 479, Laws of 1852, was enacted, entitled "An act to authorize the business of Banking," which was adopted at the general election held in 1852. The Banking Act has at different times been amended by a vote of the people.

The Banking Act as amended can now be found in Section 2024, Revised Statutes of Wisconsin, 1878, and is as fol-

lows, omitting such sections as refer to the issuing and redemption of bank notes.¹

ORGANIZATION.

Sec. 18, page 599, R. S., 1878. Any number of persons may associate to establish offices of discount, deposits and circulation, and subject to the liabilities prescribed in this act; but the aggregate of the capital stock of any such association shall not be less than twenty-five thousand dollars, nor more than five hundred thousand dollars. And such bank shall be located in some particular city or village, in a township containing no less than two hundred voters, as shown by the election returns on file in the office of the secretary of state of the election last preceding the organization of such bank, nor shall such association be allowed to issue circulating notes exceeding in amount the amount of their capital stock.

The following section 14, chapter 242, laws of 1861, is, by inference at least, an amendment to the foregoing:

No bank or banking association shall hereafter be organized in this state, nor shall any more circulating notes be issued to any bank or banking organization in this state, unless said bank or banking association shall have a *bona-fide* cash capital of at least fifteen thousand dollars actually paid in, which shall remain in such bank or banking association as capital, and employed in legitimate banking at the place where the bank is located, and it is hereby declared that the bonds deposited with the comptroller shall not be considered as any evidence of the existence of capital in any such bank or banking association, nor of the amount and extent of such capital, and it is hereby made the duty of the comptroller, before issuing any more circulating notes to any such bank or banking association now organized, or that shall hereafter be organized, except in exchange for mutilated notes, to satisfy himself, by an ex-

¹Section 3412, Revised Statutes of the United States, imposed a tax of ten per centum on the amount of notes of any state bank or state banking association used for circulation. This law compelled the state banks to withdraw their circulation.

amination under oath of an officer or stockholder of such bank and banking association, that it has fully complied with the provisions of this section and of the next preceding section of this act; and for the purpose of such examination the comptroller, or, in his absence, the deputy comptroller, is hereby authorized to administer oaths: *Provided*, that nothing contained in this act shall be so construed as to permit any bank to issue circulating notes to any greater amount than its nominal capital.

SECTION 19. Such persons, under their hands and seals, shall make a certificate, which shall specify:

First — The name assumed to distinguish such association and to be used in all its dealings, which name shall not be that of any other banking association in this state, and shall be such as will be readily distinguished from that of any banking association then existing in this state.

Second — The place where the business of discount and deposit of such associations is to be carried on, designating the particular city, town or village.

Third — The amount of capital stock of such association, and the number of shares into which the same shall be divided.

Fourth — The names and places of residence of the shareholders, and the number of shares held by each of them respectively.

Fifth — The period at which such association shall commence and terminate, which certificate shall be acknowledged and recorded in the office of the register of deeds of the county where any office of such association shall be established, and a copy thereof filed in the office of the state treasurer and of the comptroller, and upon the recording of which certificate the person or association of persons aforesaid shall become a body politic and corporate by the name assumed as aforesaid, for and during the time fixed in the certificate, and by such name shall have power to contract and be contracted with, and shall have all other powers, privileges and immunities incident to corporations, as provided in chapter fifty-four, title thirteen, of the revised statutes of this state.

COPY OF CERTIFICATE TO BE EVIDENCE.

SECTION 20. A copy of the certificate required by the preceding chapter, duly certified by the register of deeds of the county or comptroller, or either of those officers, may be used as evidence in all courts and places, for or against any such association, or any other person for or against whom any such evidence may be necessary on any civil or criminal trial.

POWERS OF ASSOCIATION.

SECTION 21. Such association shall have power to carry on the business of banking by discounting bills, notes and other evidences of debts: by receiving deposits; by buying and selling gold and silver bullion, foreign coin, and foreign and inland bills of exchange; by loaning money on real and personal securities, and exercising such incidental powers as may be necessary to carry on such business; may choose one of their members as president, and appoint a cashier and such other officers and agents as their business may require, and no person or association shall commence or carry on the business aforesaid until such person or association shall have complied with the provisions of this act; and it is further declared that no bank of circulation shall be allowed to carry on such business unless such bank or association shall have deposited with the treasurer the securities required by law, to the amount of twenty-five thousand dollars, exclusive of the bonds given by the directors or stockholders.

SHARES DEEMED PERSONAL PROPERTY.

SECTION 22. The shares of such association shall be deemed personal property, and shall be transferable on the books of the association in such manner as may be agreed on in the articles of association, and every person becoming a shareholder by such transfer shall, in proportion to his shares, succeed to all the rights and be subject to all the liabilities of prior shareholders. No change shall be made in the articles of association, by which the rights, remedies or securities of its existing creditors shall

be weakened or impaired; such association shall not be dissolved by death or insanity of any of the shareholders therein.

INCREASE OF CAPITAL.

SECTION 27. It shall be lawful for any association of persons organized under the provisions of this act, by their articles of association, to provide for an increase of their capital and of the number of their shares from time to time, as they may think proper, the aggregate capital not to exceed five hundred thousand dollars, as before provided. And it is hereby provided, that when any such association shall, by a vote of the majority of the stock, determine to reduce the capital stock to an amount not less than twenty-five thousand dollars, and shall by its president and cashier, furnish the secretary of state a certificate of such vote, it shall be lawful for the legislature, by statute, to permit such association so to reduce their capital stock, and thereafter such association shall not be subject to the payment of the tax as provided in the sixteenth section of this chapter except on the amount of the capital remaining, to which it shall have been reduced by such statute; and the legislature may, upon a vote of the stockholders and a certificate as above provided, authorize the removal of the place of business of any banking association from the place where such association may have commenced its business operations according to the provisions of the nineteenth section of this chapter, to any other place where, under the provisions of this chapter as amended, it may be lawful for any such association to transact business.

HOW CONTRACTS, ETC., BE SIGNED.

SECTION 28. Contracts made by any such association, and all notes and bills by them issued and put into circulation as money, shall be signed by the president or vice president, and cashier or assistant cashier thereof; and it shall not be lawful for any other person to sign such circulating notes in the name of such officers, either by proxy or warrant of attorney.

FOR WHAT PURPOSES MAY HOLD REAL ESTATE.

SECTION 29. It shall be lawful for such association to purchase, hold and convey real estate for the following purposes:

First — Such as shall be necessary for its immediate accommodation in the convenient transaction of its business.

Second — Such as shall be mortgaged to it in good faith by way of security for loans made by or money due to such association.

Third — Such as shall be conveyed to it in satisfaction of debts previously contracted in the course of its dealings.

Fourth — Such as it shall acquire by sale or execution or decree of any court in its favor. The said association shall not purchase, hold or convey real estate in any other case or for any other purpose whatever, and all conveyances of such real estate shall be made to the corporation, and which real estate the president and cashier may sell, assign, grant or convey under the direction of the association, free from any claim thereon in favor of or against the shareholders or any person claiming under them.

LIST OF SHAREHOLDERS TO BE FILED.

SDCTION 31. The president and cashier of every association formed pursuant to the provisions of this act shall at all times keep a true and correct list of the names of all the shareholders of such association, and shall file a copy of such list in the office of the register of deeds of the county where any office of such association may be located, and also in the office of the bank comptroller, on the first Monday of January and July in each year.

WHEN DIVIDEND NOT TO BE MADE.

SECTION 40. If any portion of the original capital of any banking association shall be withdrawn for any purpose whatever, whilst any debts of the association shall remain unsatisfied, no dividends or profits on the shares of the capital stock of the association shall thereafter be made until the deficit of capital shall have been made good, either by subscription of the share holders or out of the subsequent

accruing profits of the association; and if it shall appear that any such dividends have been made, it shall be the duty of any judge of the Circuit court of the county in which said association may be located, on application of any person in interest, to make the necessary orders and decrees for closing the affairs of the association and distribute its property and effects among its creditors and shareholders.

REPORT TO BE MADE AND WHAT TO CONTAIN.

SECTION 41. Every bank and banking association shall, on the first Monday of January and July in every year, after having commenced the business of banking as prescribed in this act, make and transmit to the comptroller a report, which said report shall be made on oath of the president and cashier, and shall contain a true statement of the following items, on the morning of the first Mondays of January and July, before any business of that day: Loans and discounts, overdrafts, due from banks, due from directors of said banks, due from brokers, real estate, cash items stocks and promissory notes, bills of solvent banks, bills of suspended banks, loss and expense accounts, capital, circulation, amount due to state treasurer, amount due to depositors on demand, amount due not included under either of the above heads; and it shall be the duty of the comptroller to publish said report together, once in some newspaper printed at the seat of government, accompanied with a summary of items of capital, circulation and deposit, specie and cash items, public securities and private securities; and the expense of such publication shall be defrayed by a percentage assessed upon the capital stock of all the banks and banking associations of this state; and if any bank shall fail to furnish to the comptroller its semi annual report in time for such publication, or shall fail to pay the percentage assessed by the comptroller under this section when the same shall be demanded by him, it shall forfeit and pay the comptroller the sum of one hundred dollars, to be applied to him to the payment of the expense of publishing the semi-annual reports; and the comptroller is authorized to

collect the said forfeiture in his name, upon application to any court of competent jurisdiction in the county where such delinquent bank may be located. The bank comptroller shall also transmit annually to the legislature, at the commencement of its session, a condensed summary of all the items reported to him by all the banks, which summary, verified by his oath, shall contain a true and correct statement of the condition of all the banks in the state at the time of the making of their last report. Every bank and banking association shall also file a copy of the report required by this section in the office of the register of deeds of the county where such bank is located, on the first Monday of January and July of each year. It shall be the duty of the comptroller, on the last days of January and July of each year, to publish in some paper of general circulation, printed at the seat of government, the number of banks in operation and a descriptive list of the securities transferred to the treasurer in trust for each banking association respectively.

6

MAY RECEIVE INTEREST IN ADVANCE.

SECTION 43. It shall be lawful to receive the interest in advance according to the ordinary usages of banking institutions, and to charge for collecting foreign or other inland bills, or other evidences of debt, the usual current rate of exchange, and in the computation of time, thirty days shall be a month and twelve months a year.

This section is amended by the following:

SECTION 2, Chapter 143, 1866. It shall be lawful for any bank or banking association organized and doing business under the general law of this state, to demand and receive for loans and discounts, such rate of interest as shall be allowed by law to be taken and received by individual citizens and by corporations other than banking associations in this state.

TO WHOM ACT TO APPLY.

SECTION 45. That each and all the provisions of this act shall apply to and control, in all respects, any banker who

shall conduct business under the provisions of this law, whether the word banker is or is not used in any such provision.

PENALTY FOR PUTTING IN CIRCULATION UNAUTHORIZED NOTES.

SECTION 46. The officers or agents of any banking association who shall put out, to be put in circulation as money in this state, any bill, note, certificate or deposit or other paper having the similitude of a bank note, knowing the same to have been issued without authority of this or any other of the United States, or of Canada, shall, upon conviction, be adjudged guilty of a misdemeanor, and shall be punished by fine not less than one hundred dollars for every piece of paper so put in circulation, or imprisoned not less than six months, or by both fine and imprisonment.

INDIVIDUAL LIABILITY.

SECTION 47. The stockholders in every corporation or association organized under the provisions of this act shall be individually responsible to the amount of their respective share or shares of stock, for all its indebtedness and liabilities of every kind.

In regard to individual liability of stockholders, a law was enacted in 1880, which is inserted here, although not properly belonging to the banking laws.

Chap. 223, laws of 1880. An act to provide for the individual liability of stockholders in banks and banking associations

SECTION 1. The stockholders, owners and part owners of any bank or banking association, organized, or hereafter to be organized, under the provisions of the act entitled, "An act to authorize the business of banking," approved April 19, 1852, and of the act amendatory thereof, may file with the state treasurer of this state a declaration in writing, signed by each and all of the stockholders, owners or part owners of said bank or banking association, and by them duly acknowledged before some officer authorized by law to take acknowledgments of deeds, consenting and agreeing to held themselves individually responsible for all

the debts, demands and liabilities of said bank or banking association.

SECTION 2. Upon delivery of such declaration, duly executed, and acknowledged in manner aforesaid, to the state treasurer, said treasurer shall file and safely keep the same in his office, and upon application by any person or persons, and upon payment to him of a fee of two dollars therefor, the state treasurer shall make, certify and deliver to such person or persons a copy of such declaration, and such copy, when duly certified by the state treasurer, shall be received in evidence in all courts in this state, and shall have the same effect as the original declaration would have if produced in evidence and duly proved.

SECTION 3. On and from the filing of the declaration mentioned in the first section of this act, the stockholders, owners or part owners of said bank or banking association, who shall have executed such declaration, shall be individually liable for all the debts, demands and liabilities of said bank or banking association, as well as those then existing and unpaid as those thereafter to be made, created or incurred. And in any action brought against any such bank or banking association for any debt, demand or liability of such bank or banking association, it shall be competent for the party plaintiff to join with such bank or banking association defendant, any one or more, or all of the stockholders, owners or part owner of such bank or banking association, whose names are attached to such declaration, and in such action to recover and have judgment and execution against the defendants, or either or any of them: *Provided*, that nothing herein shall be construed to prevent any action from being maintained for any debt, demand or liability of such bank or banking association against said bank or banking association alone, or against the said stockholders, owners or part owners, or either or any of them.

SECTION 4. In case of the *bona fide* sale and transfer of the entire stock or interest of any stockholder, owner or part owner in any bank or banking association mentioned in the first section of this act, a written memorandum of such transfer, signed and acknowledged in manner afore-

said by the vendor and purchaser of said stock or interest may be filed with the treasurer of this state, and thereupon the individual liability of said vendor for the debts, demands or liabilities of said banking association which may be created or incurred after the expiration of six months from and after the filing of said memorandum of transfer aforesaid shall cease, but in such case the purchaser of said stock or interest shall, from the date of such filing of transfer, become and be responsible and individually liable in the manner provided in the third section of this act, for all the debts, demands and liabilities of such bank or banking association made or incurred after the date of the filing of such transfer.

SECTION 5. Nothing contained in the foregoing sections of this act shall be at any time thereafter so construed as to make its provisions obligatory for any bank or banking association of this state which has not voluntarily and by its own option filed with the state treasury of this state such declaration in writing as is described in section 1 of this act.

SECTION 6. This act shall take effect and be in force from and after its passage and publication.

The office of bank comptroller was abolished and the state treasurer required to act as such by chapter 28, laws of 1868, page 596, Revised Statutes.

SECTION 1. The office of bank comptroller is hereby abolished, to take effect on the first Monday of January, A. D. 1870.

SECTION 2. The bank comptroller is hereby required, on the first Monday of January, A. D. 1870, to turn over to the state treasurer all the books, records, moneys, safes and furniture, together with all other appurtenances whatsoever appertaining or belonging to said office which may be in his custody, or for which he may be held responsible.

SECTION 3. The state treasurer is hereby authorized and required to receive from the bank comptroller all the property and effects named in section 2 of this act, and thereafter perform and discharge all duties incident to the office of bank comptroller, and all acts of the state treasurer in

pursuance of any requirements of the banking law shall be as valid for all purposes as though done and performed by the bank comptroller.

Chapter 451, laws of 1889, "An act to amend an act entitled, 'An act to provide for the individual liability of stockholders in banks and banking corporations,' approved March 13, 1880," reads as follows:

SECTION 1. Section 4, of chapter 223, of the laws of 1880, being an act entitled, "An act to provide for the individual liability of stockholders in banks and banking corporations," is hereby amended to read as follows: "In case of the bona fide sale or transfer of any stock or interest of any stockholder, owner or part owner in any bank or banking association mentioned in the first section of this act, a written memorandum of such transfer signed and acknowledged in manner aforesaid by the vendor of said stock or interest may be filed with the treasurer of this state; and thereupon the individual liability of said vendor for the debts, demands and liabilities of said bank or banking association which may be created or incurred after the expiration of six months from and after the filing of said memorandum of transfer as aforesaid shall cease; and in such case the purchaser of said stock shall not become or be responsible or liable in any manner for the debts, demands and liabilities of such bank or banking association, unless he shall execute and file a declaration as provided in sections 1 and 2, of this act.

SECTION 2. All acts or parts of acts conflicting with the provisions of this act, are hereby repealed.

SECTION 3. This act shall take effect and be in force from and after its passage and publication.

Approved April 16, 1889.
